When I have a day off the thing I most like to do: is sew.

My idea of a perfect vacation: is touring the western United States

One of the best things that ever happened to me: marrying George and raising a big family.

The funniest thing that ever happened to me: having my stockings fall down as I was getting out of a cab in front of Radio City Music Hall!

Something that very few people know about me: is that I joined United Reformed Church over 60 years ago!

One of the hardest things I ever had to face: was coping with George's Alzheimer's.

If I had my dream job: I would be teaching special needs children.

How long have you been worshipping at United Reformed Church? More than 60 years

What first brought you to United? Christian Endeavor Group for teens.

The thing I most appreciate about United is that we love one another.

Who had the biggest influence in shaping your faith and why? Muriel Wilson; she struggled with her own personal problems but always had time to pray for other people.

The thing that God is teaching me right now Take one day at a time and use it to serve God.

My biggest question about my faith is why I didn't have a stronger faith when I was younger.

What difference has God made in your life? I can do anything through Him who strengthens me.
