**The thing I most appreciate about United**

The church family we have here – the members  
have been there for our family during the good  
times and the sad times; people who literally  
stood next to us as my dad was dying. It has been  
wonderful to have such care and support.

**Person who had the biggest  
influence on your faith:**

My mom – she has steadfast faith even in the  
hardest times. I aspire to be like her.

**Biggest doubt/question about my faith:**

Struggling to understand why bad things happen,  
why there is so much hate in the world.

**The thing that God is teaching me right now**

Patience and simplicity.
